Masks are no longer mandatory but remain strongly recommended. This includes public transport.

### **Dancing**

There are no restrictions in place for dancing at weddings (or other events).

### **Baptisms**

Ensure physical distancing is maintained where possible and use hand sanitiser and common sense. Ensure all people involved agree to proceeding in a Covid safe manner.

Continue to ensure elements are prepared in a hygienic way (using gloves and consider the wearing of a mask due to the close proximity to food). Elements distributed to the seated congregation by server/s also wearing gloves and possibly a mask (see above). ### **Personal Outdoor gatherings**

### **Visitors in homes**

There is no cap on the maximum numbers but if there is more than 100, a Covid-19 Safety Plan is to be completed as well as electronic recording of visitor details.

### Service of Food

By following the guidelines in the **Information Update dated 11<sup>th</sup> March 2021**, most situations involving food should be able to proceed. Individually wrapped servings is still recommended. Please read the Information Update prior to commencing with any service of food to ensure your congregation is aware of any risks: <https://nswact.uca.org.au/media/9973/covid19-information-update-for-preparation-and-service-of-food.pdf>

### Cleaning

There has been no easing with the requirements for cleaning. The Synod Office recommends congregations follow the advice and guidance of Government departments in establishing their own cleaning regime specific to their situation. To assist with this, there are several links below for your guidance. The use of collection plates, hymn books and other shared equipment should still be avoided where possible.
